Warrington SEND Information Advice and Support Service (SENDIASS)

Warrington SEND, Information, Advice and Support Service helps parents, carers and young people with special educational needs in early education settings, schools and colleges. We provide support and guidance to parents and carers of children and young people with special educational needs from 0 to 25 living in Warrington.

Most children will move through pre-school, school and college without any major problems, but some children and young people, may have difficulties in learning. If you have concerns or worries we may be able to help.

We can explain:

- How the education system works
- What early education providers, schools and colleges can do to help your child/young person.
- What local authorities and other services can do to help your child/young person.
- Your rights and your child/young person's rights.

Answers to Parent and Carer Questions		
1.	Who is the school's SENCO and how do I get in touch with them.	<p>Our SENCO is Mrs Emily Arnaud. Contact details:</p> <ul style="list-style-type: none"> - Beamont.senco@wpat.uk - 01925 630143 <p>You can also request to speak to our SEND Support Officer, Mrs Kelly Roberts, via our school office: beamont.office@wpat.uk</p>
2.	What kinds of Special Educational Needs and Disabilities are catered for at your setting?	<p>We provide support for pupils across the 4 areas of need as laid out in the SEN Code of Practice 2015:</p> <ul style="list-style-type: none"> - Communication and interaction - Cognition and learning - Social, emotional and mental health difficulties - Sensory and/or physical needs
2	How does the school know if children/young people need extra help?	<ul style="list-style-type: none"> - Information may be received from previous settings, parents/ carers, other professionals in external agencies; - Teacher observations show a pupil struggling with a particular difficulty causing them to not be meeting age related expectations. - Progress is significantly slower than that of their peers starting from the same baseline; - Observations of a particular difficulty meeting age related expectations. - Development in self-help, social or personal skills is not in line with developmental age; - Pupil's behaviour is creating a barrier to learning, or social and emotional development is causing challenges and difficulties - Trained staff provide on-going teacher assessments and tracking of pupil progress which will identify possible areas of need; - Children may be identified as needing additional support through regular Pupil Progress meetings; - Discussion with parents where concerns are raised in school and/or at home where further assessments may be required; - School use the graduated response to support early identification and next steps
3	What do I do if I think my child has special educational needs?	<ul style="list-style-type: none"> - If there are any concerns, parents are encouraged to speak, in the first instance, to the child's class teacher. - Following discussions with the class teacher, parents can speak to our Special Educational Needs Coordinator (SENCO), on their own, or with the child's class teacher; - If your child has not started at Beamont Primary School, the SENCO would be the first point of contact.
4	How will the education setting staff support my child/young person?	<p>All of our class teachers are teachers of SEND and the school embraces an inclusive approach to whole school learning.</p> <ul style="list-style-type: none"> - The class teacher is responsible for adapting lessons to suit all children's specific learning needs, including different learning materials or special equipment such as computing resources;

		<ul style="list-style-type: none"> - If a pupil has additional needs related to more specific areas of their education, then a 'Pupil Passport' and 'Provision Plan' may be implemented following discussion between you, class teacher, pupil and SENCO. Parents/carers will be asked to sign a copy of any provision plans once prepared. This document will provide specific targets that will be reviewed termly at Pupil Progress review meetings; - Some group or individual targeted support (SMART targets are used) for specific learning needs; - Research based interventions will be set up by the class teacher and SENCO to support learning within the classroom. Extra adult time to devise the nature of the planned intervention and to monitor its effectiveness, of which will be evaluated half termly (minimum) by the class teacher, teaching assistant and SENCO to ascertain the impact of the provision and to inform next steps; - Interventions are recorded on a provision plan by teacher and teaching assistant; - Occasionally, a pupil may need expert support from an outside agency. If they meet the criteria, referral forms are then completed in coproduction with parents/carers and forwarded to the appropriate agency. That agency may conduct a series of assessments, and following these, provide a programme of support to the school and/ or parents/carers. The recommendations from professionals will be included within the 'SEND Provision Plan' and interventions. A record of the intervention is kept so that the impact and effectiveness of an intervention can be ascertained. - Our Provision Plans and Pupil Passports are reviewed half termly by the SENCO, SEND team, senior leaders and class teachers. - Training is provided throughout the year to teachers, support staff and whole school staff to ensure that all are up to date with the latest SEND policies and practices.
5	How will the curriculum at your education setting be matched to my child/ young person's needs?	<p>At Beamont Primary School, we set challenging and aspirational targets for every pupil, whatever their prior attainment. We use rigorous formative and summative assessments to set these targets and plan a differentiated curriculum to meet the needs of individuals within the class. Potential areas of difficulty are identified and any barriers to learning and achievement are clearly assessed so that these can be planned for within the curriculum to ensure targets are achieved. In a case where it is not possible to meet these needs then additional or</p> <div style="display: flex; align-items: center;"> <div style="flex: 1;"> <p>Figure 6: A tiered approach to educational support</p>  </div> <div style="flex: 1; background-color: #fff9c4; padding: 10px; border: 1px solid #ccc;"> <p>Specialist support. In addition to 'good teaching for pupils with SEN is good teaching for all,' some pupils will need specialist intervention delivered by a trained professional.</p> <p>Targeted interventions. If pupils require additional support beyond what can be offered in whole class teaching, a targeted, one-to-one or small-group intervention could provide the intensive focus required for the pupil to make progress. More guidance on effective implementation of targeted interventions is provided below.</p> <p>Whole-class teaching. If it appears that a pupil needs additional support, the starting point should be the consideration of the classroom teaching they receive. Have you maximised their opportunity to access the best possible teaching you can offer?</p> </div> </div>

		<p>different provision is planned. We will do what is necessary to enable pupils to: develop, learn, participate and achieve the best possible outcomes.</p> <p>If a child is identified as having SEND:</p> <ul style="list-style-type: none"> - The curriculum is adapted or differentiated in different ways according to a child's needs and recorded on the school's Provision Map. The 'Waves of provision' approach is taken: <ul style="list-style-type: none"> o WAVE 1 Quality First Teaching (QFT) – class teachers routinely use their knowledge of pupil's levels and learning styles to differentiate work to match children's needs; o WAVE 2 differentiation – If pupils have been identified with specific needs, their work may need to be further differentiated, to remove barriers to learning and enable them to access the curriculum more easily. o WAVE 3 differentiation – If the school feels it is appropriate, specialist equipment, resources or a learning programme may be made available. - Teaching Assistants (TAs) in school provide support to the teacher across Waves 1, 2 and 3 provisions. TAs may work with a child 1:1 on specific focused tasks, or in a small intervention group and this will be planned by the class teacher and SENCO. - Specialist equipment may be given to a pupil to help them, such as a visual timetable, a wobble cushion, or adapted equipment. - Work may be adapted by outcome, pace of completion, support offered or by breaking it down into smaller chunks. - Pre and post learning opportunities and support may be offered if appropriate. - If the child has received support from outside agencies such as EP (Education Psychologist) support or SALT (Speech and Language Therapy) support, these programmes and recommendations will be incorporated into the child's learning; outlined in their individual provision plans and one page profile (pupil passport).
6	How will both you and I know how my child is doing and how will you help me to support my child's learning?	<ul style="list-style-type: none"> - Through regular discussions with the class teacher and any teaching assistants who work with your child's class/ group. - Teaching staff are usually available at the end of the day for short informal discussions; longer appointments can be made with the class teacher, or the SENCO, through the school office. - For EYFS to Year 6, curriculum overviews are produced half termly, sent home to parents/ carers, and published on our website. These are produced to outline the subject content and topic links children will cover each half term/ full term so that parents/ carers can support their child at home. - Parents' Evenings are held twice a year, in the first half term of the autumn term, and towards the end of the second half term of the spring term. An option to meet class teachers after the end of year report is also available. In addition to this, parents/carers will receive a data report to aid understanding of how well their child is doing against age related expectations and in terms of their effort and progress. - A full written report will be sent home near the end of the academic year.

		<ul style="list-style-type: none"> - The class teacher may occasionally make extra notes in a home school link book or reading record, if the teacher or SENCO feel this is necessary. - Pupil Passports are drawn-up in consultation with parents/carers and children and will be reviewed half termly. - Provision plans are reviewed half termly - Annual Review meetings are held for children with an Education & Health Care Plan (EHCP). - If an external agency is coming into school to assess your child, provision will be made for you to meet with them and discuss your child and any thoughts you have about their progress, additional needs, aspirations, etc. - Recommendations received from an external agency are discussed with parents/ carers and pupils (at age appropriate level); copies of reports will be shared also. - If a child has specific medical needs, staff will always meet with you and a health worker (if involved) to write a medical care plan. - If your child has a Behaviour Provision Plan in place at the school, then fortnightly meetings may be held to review the document with the class teacher and/or a member of the SLT (Senior Leadership Team).
7	What support will there be for my child's overall emotional health and wellbeing?	<ul style="list-style-type: none"> - All staff offer pastoral support for children. - Warrington Early Help Offer https://www.warrington.gov.uk/early-help - Within our Safeguarding team, we have a full-time dedicated Safeguarding Lead. They are available for pupils who wish to discuss issues and concerns. - Dependent on needs identified, some specific nurture work/programmes may be implemented by support staff with support from the school's safeguarding team or SENCO. - Our Safeguarding Team support emotional health and wellbeing, and also supports teaching staff as they support children. They all access regular update training. - We have comprehensive policies to deal with medical issues, based on current good practice and accepted guidelines. - If all school support has been exhausted, the school has access to external agencies and professionals, to support with behaviour, attendance and emotional wellbeing. Currently, external agencies used in school include, but are not limited to, play therapy, Specialist Teachers, Educational Psychologists and Speech & Language Therapists.
8	What specialist services and expertise are available at or accessed by the education setting?	<p>We are supported by a range of professionals who we can access support from as appropriate; some of these specialist services and experts are provided through the Local Authority, and some are independently resourced. The range includes:</p> <ul style="list-style-type: none"> ○ Educational Psychologist ○ Speech and Language team ○ Occupational Therapy ○ Inclusion teachers for learning ○ Sensory Support (Hearing and Visual Impairment) ○ SEND Orthoptist ○ School Health ○ Social Services

		<ul style="list-style-type: none"> ○ CAMHs (Child & Adolescent Mental Health Services) ○ Child protection/ safeguarding team ○ Play therapy ○ Physiotherapist ○ Medical professionals such as epilepsy team ○ ASD/ ADHD specialist nurse <p>Access to these services is prioritised according to need and availability. This would be dependent on school judging that the child meets the required criteria for this support.</p>
9	What training are the staff supporting children and young people with SEND had or are having?	<ul style="list-style-type: none"> - The SENCO is a qualified teacher who has the National Award for Special Educational Needs Co-ordination. Those staff working with children with speech and language difficulties will be supported by the SENCO and SEND Support team and are trained in speech and language programmes. - The SENCO and SEND Support Officer attends regular SEND training within the Local Authority, WPAT Network and other clusters to maintain up to date knowledge of SEND practice and to share and develop good practice. - Some staff have had specific recent training related to individual children, for example, to provide support to children displaying dyslexia tendencies and memory difficulties, Early reading and phonics, SALT, ASD in mainstream, PIVATS, medical conditions etc. - If a child has been supported by the Visual Impairment Team or Educational Psychologist, they are supported by these services and the SENCO to implement specific programmes and interventions. - Where required, children are supported with a de-escalation of a behaviour plan.
10	How will my child be included in activities outside the classroom including school trips and provision for access to afterschool clubs?	<ul style="list-style-type: none"> - Beamont Primary School endeavours to include all pupils in all activities and will work closely with parents/carers to try to ensure barriers to participation are removed and reasonable adjustments made wherever possible. - A risk assessment will be carried out for individual's participation where required; this will be verbally shared with pupils and families where appropriate to ensure the correct provision is in place. - Trips and activities are available to all. - In some circumstances, we may ask a parent/carer to accompany their child on a trip or activity to enable them to safely access it. This would be considered through the risk assessment process.
11	How accessible is the Beamont Primary School environment?	<p>Our building is accessible through:</p> <ul style="list-style-type: none"> - Accessibility plan and yearly audit - The main building is fully accessible and consists of a ground floor and a first floor. - A lift is available to easily transport people to the first floor; - There are a number of accessible toilets for children and adults situated around the school, including a designated disabled toilet.

		<ul style="list-style-type: none"> - As a school we are happy to discuss individual access requirements and we will make reasonable adjustments wherever possible. We carefully consider the layout and use of the building in relation to the needs of the individual child in order to meet their needs appropriately. - School carry out an Accessibility Audit annually or in response to a new need being identified. <p>Our Accessibility Policy can be found on the school website: https://www.beamontprimary.co.uk/</p>
12	How will the education setting prepare and support my child to join high school, transfer to a new education setting or the next stage of education and life?	<ul style="list-style-type: none"> - The SENCO liaises with other settings at the point of transition, both into school in the early years, and out of school to secondary education. <p>Child entering Reception:</p> <ul style="list-style-type: none"> - When children enter Reception, there are visits between their nursery setting and school, where the Reception Teacher and SENCO/SEND Support Officer will meet with the child and team. Extra visits and meetings will be set up as required. Our minimum transition offer is a school visit – introduction and play in the setting, a home visit or a nursery provision visit from our reception teacher. Additional transition plans can be arranged to reflect individual needs - Transition within school from one year group to another is carefully planned with individual pupil's needs discussed prior to visiting their new classroom; handover of certain documents for key information, such as: Pupil Passports, data, record of interventions. Transition meetings focus on individual pupil needs. At Beamont Primary School, we provide children with Transition Days held at the end of the Summer Term, where pupils will spend time with their new teacher and complete projects together. Transition for pupils with SEND may require a differentiated approach and through discussion with the parents/carers and child, teaching staff will adapt the transition period as needed. - When a child joins from another setting, the school makes contact with that setting to support transition. Similarly, if a child leaves during school, Beamont Primary School staff will endeavour to liaise closely with the receiving setting. - The school endeavours to listen and take account of views of parents and carers regarding the needs of pupils with SEND when they join school.
13	How are Beamont Primary School's resources allocated and matched to children's special educational needs?	<ul style="list-style-type: none"> - Children with an EHC plan will have their own budget to support them. Money is used to provide recommended resources or to deploy staff, or to access specialist training. - The school's provision mapping identifies categories of need on an individual, group, class and whole school basis. Funds are allocated to best meet the needs of pupils and spending is regularly reviewed. - Further support or resources may be allocated to your child following assessments by the SENCO, or outside agencies (e.g. children's Speech and Language Therapy team).

14	How is the decision made about what type and how much support my child will receive?	<ul style="list-style-type: none"> - The Head teacher and SENCO will allocate resources and support based on a child's individual needs, following discussions with the class teacher and where appropriate, advice from external professional agencies and parents/ carers. This will be in line with the SEND Code of Practice. - The allocation of support will be informed by the school's own internal assessment procedures and any external professional reports. Any plans or interventions will be discussed with parents/ carers and reviewed regularly. - Support will be reviewed and change according to the ongoing review of need which will be discussed with staff, parents/ carers and child. - Through Pupil Progress Meetings and discussions between school based staff around the child. - For pupils with an EHC plan, further consultation will take place with all stakeholders to determine support 'addition to and different from' that which is available to school. - EHC plans should specify how services will be delivered as part of a whole package and explain how best to achieve the outcomes sought across education, health and social care for the child or young person. - The information gathered during an EHC needs assessment may indicate ways in which the school can meet the child or young person's needs without an EHC plan.
15	How are parents involved at Beamont Primary School? How can I be involved?	<p>All parents/ carers are encouraged to contribute to their child's education. This may be through:</p> <ul style="list-style-type: none"> - Discussions with the class teacher; - During parents' evenings or other arranged meetings; - During discussions with the SENCO/SEND Support Officer/Learning Mentor, or other professionals; - Parents/ carers are encouraged to comment on their child's Pupil Passport and Provision Plan; - Parents/ carers are warmly encouraged to support and help with school activities, or to volunteer/help out in the classrooms (subject to DBS); - We offer concerts, assemblies, sporting events, and curriculum workshops to which parents/carers are invited.
16	Who can I contact for further information?	<p>If you wish to discuss your child's educational needs, please contact one of the following:</p> <ul style="list-style-type: none"> - Your child's class teacher or the Teaching Assistant who works in their classroom or with your child should be your first contact. - SEND Support Officer – Mrs Kelly Roberts - SENCO – Mrs Emily Arnaud - Head of School – Mrs Laura Halpin - SEND Link Governors – Helen Davies and Natalie Cooper <p>Appointments can be made with any of these people through the school office on 01925 630143</p> <p>There are a number of LA contacts who can provide more information including:</p> <ul style="list-style-type: none"> - Parent Partnership (SENDIASS) https://www.warrington.gov.uk/warringtonsendiass - School Health advisers https://bridgewater.nhs.uk/warrington/warrington-school-health/
