Headteacher: Ms K Morris
Chair of Governors: Mrs J Bacon

March 2024

Dear applicant,

Thank you for expressing an interest in our advertised positions for a phase leader (TLR) and class teacher at our school. The advertised post is to start in September 2024 for the new academic year, on a permanent basis. The position will likely be to class teach in Year 6 and to be a Phase Leader for Upper or Lower Key Stage 2, leading a phase of 4 classes.

Along with this letter, I have enclosed a person specification and an application form. Please consider the enclosed information carefully before completing your application.

Beamont Primary Academy is a large, thriving school in central Warrington. The school has moved from strength to strength over the last few of years and I would strongly encourage you to visit to see for yourself. We are an academy within Warrington Primary Academy Trust, which also incorporates the Generate Teaching Hub. You will be able to find more information about the school and about the trust via our school website – www.beamontprimary.co.uk. Included there are also quotes from our wonderful pupils – if you get to visit during the school day, you will be able to meet some and see some of their work. There are also quotes from members of our staff; during your visit to school, feel free to ask anyone about working at Beamont, starting or progressing your career here, opportunities to develop and progress across the Trust.

At Beamont, you will have access to a wide range of high quality professional development, work with consultants, be supported by colleagues, and be able to access relevant, high quality training. A number of our current team are accessing National Professional Qualifications, and most of our senior leadership team have developed into their roles since joining our staff team, some from being newly qualified.

The closing date for applications is 16th April by 5.00pm. Following shortlisting, we will observe all candidates teach in their current setting or at Beamont. The selection panel will meet after all lesson observations to decide which candidates to invite for interview – not all shortlisted candidates will be invited to interview. The interview day will be on 23rd April (provisionally) and will involve an interview and teaching tasks.

Please consider the enclosed information carefully before completing your application. We want you to have as much relevant information as possible prior to completing your application. If you have additional questions about the post, or the school, please do not hesitate to contact me on the above

telephone number. If possible, please try to visit school to see for yourself what it's like – don't just take my word for it! Contact the office and we will try to find a mutually convenient time for you to visit.

For convenience, I would be pleased to accept application forms and letters via email. Please send to beamont.busman@wpat.uk. An original signed copy will be required, and I would ask that you have one available if you are shortlisted.

The school and the Trust is committed to safeguarding and promoting the welfare of all children. The application process and interview will gather evidence about candidates to ensure their suitability for the post. All candidates will have to complete a DBS application form.

Thank you again for expressing an interest in this post and in our school. I look forward to reading your application, or having the opportunity to discuss this further.

Yours faithfully,

Ms K L Morris
Headteacher
